Shutter Speed Exercise

In this lesson, we'll be taking a look at
Shutter Speed Exercise.

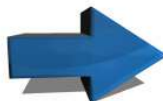

If you see a magnifying glass at the bottom right corner of a photo, click on that photo to make it full screen.

Shutter Speed Exercise

Use the indicated slider to select a new shutter speed. The image will change reflecting how a new shutter speed selection can change the photograph.

In this exercise, we are using a fan, set at full speed, to illustrate how the shutter speed affects your photo.
