Editing Exercise

In this lesson, we'll be taking a look at
Editing Exercise.

If you see a magnifying glass at the bottom right corner of a photo, click on that photo to make it full screen.

Editing Exercise

In this exercise, you are going to apply some commonly used editing techniques to the image below. This includes brightness, contrast, saturation, and sharpening.

The image below will change dynamically as you apply these features, so you can see the sorts of changes each sort of setting can make to a photograph.
